

## Volusia County Intergroup 12 Step Texting: How It Works

### Texting will only be used during normal business hours.

- A call is received in the Intergroup office requesting a ride, etc..
- The Desk Volunteer writes down the info for the 12 Step call.
- A text message is sent out for the group in that area.
- **If you can handle the call, you call the office to get the info, phone number, location, etc.**
- The Desk Volunteer sends out a text advising the others in the group that we have someone to take the call.
