*"I am responsible. When anyone, anywhere, reaches out for help,  
I want the hand of A.A. always to be there. And for that: I am responsible."*

### TOOLS

**All through the days since cavemen walked the earth, tools have been used to build things. You must first build a firm foundation in order to erect buildings. When buildings are no longer are used they are destroyed with a wrecking ball. Through life we alcoholics have torn down our lives, as well as the lives of others. We failed to use the tools of our lives. Our buildings were rarely used because we never used our tools or followed directions. We did not know how to build our lives or follow directions.**

**When we first began to get sober we began to stop wrecking everything around us. First we began to build a firm foundation using the tools of Alcoholics Anonymous and following directions. Some of us would not build our foundations of life because we stopped using our tools. Other alcoholics began building our structures brick by brick, using the Steps and directions. The mortar of the fellowship is what holds our bricks together. When we follow each Step our building will help rebuild our lives. Just remember if you do the work, pick up the tools and follow the directions you will keep the buildings you have. You will continue building a new life for your family, your friends, but most of all for yourself.**

## FROM THE ARCHIVES

### Before Intergroup -Pre 1978

The phone rang in the back room at the Alמוש Club. "P" was working in the kitchen and answered it. Beyond the restaurant area was a card room for members and since there was no one in the restaurant area, P walked into the card room and announced that there was a man on the phone who wanted help. No one moved or even looked up. Velma was playing cards and she looked up, pointed her finger at two of the men and said "You and you, someone needs your help, you can play cards again after you make this twelve step call." The two men got up, went to the phone, got the information and left to go on the twelve step call.

After the Club was closed at about 10 pm an answering service took over the AA calls for help.

The phone rang at a home in New Smyrna Beach one evening. It was "M" who had a woman on the phone who wanted to go to Detox. M. said she lives near you and I will see if the answering service will patch her through. (This was almost never successful but tonight it worked.) The woman was picked up and taken to Detox on Michigan Ave. The New Smyrna Beach Group paid for the answering service in New Smyrna for many years because it was a long distance call to Daytona Beach. The same was true in Deland.

When I became treasurer of the Winners Way Group which met on Saturday night at DBCC, I asked where I could buy the books and medallions that we needed. I was told to write to GSO in New York, get a catalogue and then order what was needed. When I wanted a Twenty-Four Hours a Day book, the same was true except I had to write to Hazelden in Minnesota.

I do not remember what we did about meeting lists. In the Archives there is a meeting list for Daytona Beach in 1965. It was published by the Intergroup that was in existence at that time on Palmetto St. There are no other schedules available before our present Intergroup started to publish a meeting schedule for the county in 1978.

How convenient it is to drop by the Intergroup office and buy the books, medallions and other sobriety items they stock or maybe a little gift for a fellow AA member's anniversary. How handy to be able to look up a meeting in the meeting schedule or check out the web site for the time of a meeting I don't go to frequently.

It is good to know that in our area the hand of AA is always there through the Phone Army and answering service provided through the Intergroup Office.

### PI/CPC- Origin and Purpose

Our Twelfth Step – carrying the message—is the basic service that the A.A. Fellowship gives; this is our principle aim and the main reason for our existence. Therefore, A.A. is more than a set of principles; it is a society for alcoholics in action, we must carry the message, else we ourselves can wither and those who haven't been given the truth may die."

(The A.A. Service Manual, "A.A.'s Legacy of Service" p.S1)

There are many AA literature racks located in various public places through our district. If you would like to carry the message and Adopt-A-Rack ensuring the rack is regularly stocked with fresh AA literature then please email me at [picpc@aadaytona.org](mailto:picpc@aadaytona.org) for a list of available literature racks and commitment time. Or if you know of a rack or display in need of literature, being neglected, in need of adoption then please let us about that too.

Thank you!!

**Experience, Strength, and Hope  
IN THE BEGINNING**

**Full Of fear that's what I am.  
Lord knows I'm doing the best I can.**

**It's the people, it's the places, it's all of these things.  
I really don't know where to begin. I don't know how to make my heart sing.**

**I don't want to be alone and I don't want to be around people.  
I wonder if this will go on till I'm old and feeble.**

**Is there light in the darkest of days?  
I'm told there is if I just pray.**

**All my worries dampen my fun,  
If I trust in God then anxiety I'll have none.**

**God is the way I hear them say.  
Just try it in the beginning of the day.**

**It is Him I should talk to,  
To make my life beautiful and new.**

**As soon as I get this through my head,  
The sooner I'll have peace when I go to bed.**

***The A.A. Tradition***  
**THE FIFTH TRADITION**

***Each group has but one primary purpose . . . to carry its message to the alcoholic who still suffers.***

**No matter how different our own personal concerns, we are all bound together by one common responsibility . . . to carry the message to the suffering alcoholic.**

**Every newcomer learns (some of us the hard way) that the business of staying sober must have top priority. If we fail at that, we can't succeed at anything else. The Fifth Tradition tells us that groups should remember *their* "one primary purpose."**

**Through the personal experiences of its members, it is qualified to carry only one message: how an alcoholic can recover in AA. That's all.**

**"I am responsible.**

**When anyone, anywhere reaches out for help, I want the hand of AA always to be there.**

**And for that: I am responsible."**

**The Twelve Traditions Illustrated**

**Step Twelve**

**"Having had a spiritual awakening as a result of these steps,  
we tried to carry this message to alcoholics,  
and to practice these principles in all our affairs."**

**The Twelfth Step seems to carry this implicit warning:**

**"If you are not having at least the beginnings of a spiritual awakening,  
it would be well to look back over the Steps and find out where you are failing."  
And there are no qualifying words, such as "maybe," "perhaps," or "perchance."**

## Committees, Coordinators and Intergroup Updates

**Office Coordinator's Report by Mike D:** There were a total of 119 calls and 182 visits to Intergroup for March 2013. We had 6 help calls reported for the month; 4 women and 2 men needed rides to meetings. They were handled by 12 steppers. GSO is implementing an online ordering system and it's almost ready to use. They are also increasing their shipping costs.

We have resurrected the calendar for planned events. It contains info that helps avoid conflicts.

**All Anniversaries should be submitted to [admin@aadaytona.org](mailto:admin@aadaytona.org) and should include Name, Month and full Sobriety Date.**

**Desk Volunteers are needed for permanent and fill-in positions.** Minimum requirement is 1 year sobriety and some computer knowledge. Contact the office for more info.

We have T-shirts, Sweatshirts, Mugs and new Jewelry items for sale. **Quantities are limited.**

**Archives Committee by Carolyn C:** The Rich Walker papers are being scanned into the computer for preservation in the cloud. We are continuing to redo the inventory of all material in the archives room. We now have our email address set up, [archives@aadaytona.org](mailto:archives@aadaytona.org), and will have a policy & procedure manual for future reference.

**Phone Army Coordinator by Julie G:** We thank Hallie D. for all the great work she did and welcome our new coordinator. There were only 4 calls reported in March from the Phone Army volunteers; three for info and one help call from St. Augustine. **In order to keep our tax exempt status up to date we need to have all data from the Phone Army volunteers. Please remember to send reports and we are always looking for more volunteers!**

**12 Step Coordinator by Jan M:** Everything is status quo. We are always in need of 12 Steppers; please pass the word! Thank you.

**Corrections Committee Coordinator:** We are always in need of volunteers willing to make a commitment to take recovery into the prisons.

**High 'n Dry Editor:** We've received some really great submissions lately...please keep writing and sending! Thank you all so very much. Send any info to [editor@aadaytona.org](mailto:editor@aadaytona.org).
