A.A.'s Responsibility Statement: *I am responsible. When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that, I am responsible.*

MAKING A DECISION

-from Jason W

In ***Step Three*** of AA we are making a decision: it's that simple. You make decisions all day every day, right? Making a decision to turn your will over to God or a "Higher Power" can be just like putting on a new pair of glasses and seeing everything more clearly.

As part of our recovery process it's helpful to take the time to ask and then answer important questions pertaining to step three. Here is a starting point for some review questions:

- How has acting on my own self-will affected my life? How has it affected others?
- How can I take action to turn it over?
- What is the difference between my will and God's will?
- How is my Higher Power working in my life?
- Is my current concept of a Higher Power working my need to change?
- What does "to the care of "mean to me?
- How might my life be changed if I make the decision to "turn it over?"
- Am I unwilling to do things in my recovery that are being suggested? If so, why?
- How does surrender in the first step relate to or help the third step?

The Third Step Prayer

Taking the positive action of working the steps has clearly changed the course of our lives. Hope springs from the knowledge that our life is full of possibilities, while faith propels us forward into action doing the work that others are telling us is necessary if we are to achieve sobriety. This is a great point in your recovery to say to yourself: "I can't. God can. So I'll let God."

(From the Big Book of Alcoholics Anonymous p. 63)
"God, I offer myself to Thee-to build with me and to do with me as Thou wilt.
Relieve me of the bondage of self, that I may better do Thy will.
Take away my difficulties, that victory over them may bear witness to those I would help of Thy Power, Thy Love, and Thy Way of life. May I do Thy will always!"

Archives Story

Mystery of **Had Enough**: Home Group: This is a revision of High n' Dry Story of Feb 2005.

This is a story of our documents and the importance of completing a Group History form especially early in foundation of the group. The first Group History form of "Had Enough" group was in January 21, 2004. Prepared by a founder Linda R.

Date Founded: 1992 at my home (actually Linda's porch). First reported to be meeting at 3:30 PM now Wednesday 6:30 PM. January 2004 membership was reported to be 21 members. Group moved to Granada and Beach St. (little white church) in 1993. Changed again to 6:30 PM. Described as "very close-knit women's step meeting offering Big Book and 12 + 12".

Examining Archives Meeting Schedules there is no listing of Had Enough at 3:30 or 6:30 PM for 2/93, 3/94, 3/95 or 6/96. They could have been meeting at Linda's home porch during this time. The next Meeting schedule in the archives is 11/96 (i.e., we are missing meeting lists from July to October 1996). The November 1996 meeting schedule has "Had Enough" Group in the Meeting Schedule with the location Granda and Beach Street (little white church in Ormond Beach) at 4 PM. The next meeting schedule, June 1997 also has Had Enough at 4 PM and at the same location. The next Meeting Schedule, January 1999, Had Enough was at the same location but had changed time to 6:30 PM.

Early Members in group history by Linda R. January 1, 2004 were Linda R., Amy R., and Diane S. Whereas the Home Group History in 8/21/2024 (twenty years later) was Linda R., Karen S., and Cindy K. Credence goes to the earliest group history form but that was 12 years since founding on a porch.

Location of "Had Enough" group moved sometime between the two meeting schedules in Archives 7/2007 (Granda and Beach St., the Little White Church) and 11/2007 (Grace Lutheran church: A1A & Neptune, Ormond Beach).

Archives is trying to keep meeting schedules monthly for more accurate documentation of meeting times and locations for stories like this. If you have earlier meeting lists, please consider donating them or a Xerox copy of them to archives. If you are founding a group consider filling out a group history form as early as you can. See **https://aadaytona.org/group-history-form/**

*Other documentation to early your groups history might be when did the group first register with North Florida Area 14 (***registrar@aanorthflorida.org** *or* **archives@aanorthflorida.org***) or General Service Office (***archives@aa.org***).*

-Thanks Jim B.

The 3rd Step Promises

Many of us have heard of the Ninth Step Promises from page 83-84 of the Big Book of Alcoholics Anonymous. There are, however, many additional promises throughout the Big Book. Promises associated with STEP THREE include:

- a) That we were alcoholic and could not manage our own lives. b) That probably no human power could have relieved our alcoholism. c) **That God could and would if he were sought**. (60)
- Above everything, we alcoholics must be rid of this selfishness. We must, or it kills us! **God makes that possible**. (p 62)
- Most good ideas are simple, and **this concept was the keystone of the new and triumphant arch through which we passed to freedom**. (p 62)
- When we sincerely took such a position, **all sort of remarkable things followed**. (63)
- Being all powerful, **He provided what we needed**, if we kept close to Him and performed His work well. (p 63)
- Established on such a footing **we became less and less interested in ourselves, our little plans and designs**. (p 63)
- **More and more we became interested in seeing what we could contribute to life**. (p 63)
- **As we felt new power flow in, as we enjoyed peace of mind, as we discovered we could face life successfully**, as we became conscious of His presence, **we began to lose our fear of today, tomorrow or the hereafter**. (p 63)
- **We were reborn**. (p 63)
- This was only the beginning, though if honestly and humbly made, **an effect, sometimes a very great one, was felt at once**. (p 63)

PERSONAL INVENTORY ON TRADITION 3

(The foundation of this inventory is from the A.A. Tradition's Checklist first published in the ***A.A. Grapevine***)

1. In my mind, do I prejudge some new AA members as losers?
2. Is there some kind of alcoholic whom I privately do not want in my AA group?
3. Do I set myself up as a judge of whether a newcomer is sincere or phony?
4. Do I let language, religion (or lack of it), race, education, age, or other such things interfere with my carrying the message?
5. Am I over impressed by a celebrity? By a doctor, a clergyman, an ex-convict? Or can I just treat this new member simply and naturally as one more sick human, like the rest of us?
6. When someone turns up at AA needing information or help (even if he can't ask for it aloud), does it really matter to me what he does for a living? Where he lives? What his domestic arrangements are? Whether he had been to AA before? What his other problems are?
